LINDSAY SERDENIOLA
BS Information - Internship

About Me

My dedication to this field brought me to where I am today – a committed and driven IT student at PSU Urdaneta City. From the moment I embarked on my academic journey in Information Technology, I discovered a profound passion for the ever-evolving world of technology. Through challenging coursework and practical experiences at PSU, I've cultivated a solid foundation in IT concepts and developed an interest in diverse areas, including programming languages such as Dart, Native PHP and C#, systems analysis, and innovative problem-solving.
